

IZ - introductory event

Invitation from information center

**to all foreign students at the University of
Applied Sciences Karlsruhe in the summer
semester 2012**

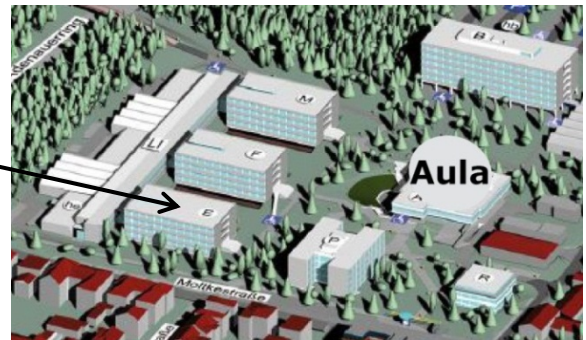

the information centre (iz) of the University of Applied Sciences Karlsruhe welcomes you and kindly invites you to an introductory lesson about the structure, the components and the use of our computer network. We will introduce to you the technical services provided by the network and teach you how to maintain your email and other data.

Wednesday, March 14th, 2012

2:00 pm – 3.30 pm

The lesson will take place

room E 303
building E
upper floor

February 24th, 2012

**Dr. Günther Schreiner, IZ-Leiter
Helga Gabler, iz-helpdesk
Manuel Krippel, iz-helpdesk**
