

IZ - introductory event

Invitation by the information center

to all foreign students at the Karlsruhe University of Applied Sciences in the summer semester 2019

the information centre (IZ) of the Karlsruhe University of Applied Sciences welcomes and kindly invites you to an introductory lesson about the structure, the components and the use of our computer network. We will introduce the different it-services to you and teach you how to read your email, download important documents concerning your studies or use the computers on campus.

Monday, March 11th, 2019

2:30 pm - 3.30 pm

The lesson will take place
at

Lecture hall HE
Building LI
Ground floor
