

- A** Auditorium
Student Union (ASTa)
Academic Library (FBH)
Facility Management (GM)
- B** Architecture and Construction Engineering (AB)
– Dean's Office
– Architecture
– Construction Management / Construction Management and Economics
– Civil Engineering (Tri-national)
– Infrastructure Engineering
Service Center for Teaching and Learning (SCSL)
- DJH** Youth hostel
- E** Electrical Engineering and Information Technology (EIT)
– Electrical Engineering and Information Technology
– Electrical Engineering – Industrial Automation
– Electrical Engineering – Power Engineering and Renewable Energy
– Electrical Engineering – Information Technology
Computer Science and Business Information Systems (IWI)
– Dean's Office
– Computer Science
– Computer Science, Media and Communications
- F** Mechanical Engineering and Mechatronics (MMT)
– Automotive Engineering for Sustainable Mobility
– Automotive Engineering
– Mechatronic and Micro-Mechatronic Systems
– Mechatronics
Center of Competence (CC)
Foreign Language Institute (IFS)
Liaison Office for Integrated Traineeships (KOOR)
- G** Guest apartments
- hb** Civil Engineering lecture theater
- he** Electrical Engineering lecture theater
- HsKA/AM** Facilities at Amalienstr. 81-87:
Information Management and Media (IMM)
– Dean's Office
– Communication and Media Management
– Culture, Media and Technologies
Institute for Continuing Education in the Sciences (IWW)
– professional part-time master's program in Electrical Engineering
- HsKA/B** Facilities in Bruchsal,
International University Campus, building 3,
76676 Bruchsal:
Institute of Energy Efficient Mobility (IEEM)
- HsKA/D** Facilities at Daimlerstr. 5B:
Office of the Commission for the Enhancement of University Teaching (GHD)
Center for the Enhancement of Ethics in Science and Engineering (RTWE)
- HsKA/HO** Facilities at Hoffstr. 3:
Information Management and Media (IMM)
– Geodesy and Navigation
– Geo-Information Management
– Geomatics
– Transportation Management
- HsKA/W** Facilities at Hertzstr. 16
(Westhochschule):
Branch office of IAF, building 813
- K** Management Science and Engineering (W)
– Dean's Office
– Business Administration and Engineering
– International Management
– Tricontinental Master in Global Studies
- LB** Civil Engineering laboratories
Construction Materials Testing Center (ÖBP)
- LI** Engineering Sciences laboratories
Information Center (IZ)
Institute of Applied Research (IAF)
- M** Mechanical Engineering and Mechatronics (MMT)
– Dean's Office
– Mechanical Engineering
Computer Science and Business Information Systems (IWI)
– International IT Business
– Business Information Systems
- Mensa (student canteen)**
- P** Electrical Engineering and Information Technology (EIT)
– Dean's Office
– Electrical Engineering and Information Technology
– Electrical Engineering – Sensorics
– Sensor Systems Technology
- R** International Office (AAA)
President's Office
Student Registry
Administration
- SH** Steinbeis Building
Institute of Materials and Processes (IMP)
Management Science and Engineering (W)
– International Management
– Business Administration and Engineering
-  Entrance accessible for wheelchairs
For details, please see the information boards in the entrance halls of the buildings.
